

SOLČAVSKO

3 days sample program for couples

Day 1

Arrival of the group to the **Center Rinka**, multipurpose center for sustainable development of Solčavsko. **Welcome degustation** of local snacks and drinks, which will be followed by short film and exhibition presenting a destination Solčavsko. The mountain-encircled Solčavsko is located at the upper current of the Savinja River. Many customs, traditions and beliefs from the past can still be found in the everyday life of the hospitable locals. Three parallel valleys are the jewels of Solčavsko: Robanov Kot, the Logar Valley and Matkov Kot. There is a meaningful slogan in the Landscape Park Logar Valley: The Logar Valley is not here to be changed, but to change you! After presentation we will experience **guided walk through the ethnographic trail** in the Landscape park Logarska dolina. Refreshment and accommodation at the tourist farm and some free time. **Dinner** in the nearby restaurant with local dishes. Overnight.

Day 2

After breakfast we will have a numerous choice of activities. We can decide to **visit one of the biggest mountain farms** in the Alpine space – tourist farm Matk in Matkov Kot Valley. Alternatively, we can go for a **guided walk or self-guided cycling tour** along Solčavsko panoramic road and there are some surprises waiting for us on the road 1000 m above the sea level. **Lunch from the travel bundle**. In the afternoon we will join **feltmaking presentation and short workshop**: felting with wool of local Solčava-Jezersko sheep breed. As an alternative you can join an Archery Adventure on a tourist farm Gradišnik in Matkov Kot Valley – as supplement. Some free time before **dinner** in local restaurant. Overnight.

Day 3

After breakfast **easy guided walk around landscape Robanov Kot**. This will be followed by the **lunch** at the tourist farm Govc-Vršnik, one of the oldest tourist farms in Slovenia. Farewell.
